MEMORANDUM FOR:

FROM:

[REDACTED]
Deputy Chief, Position Management
and Compensation Division

25X1

SUBJECT: Meeting with Compensation Consultants

I thought it might be appropriate to briefly let you know what type of exposure the compensation consultants have had to date and suggest specific points on which you may wish to brief them in your forthcoming meeting.

The series of briefings arranged for 27 and 28 October deal only with Phase A of the study which will involve [REDACTED] and their counterparts

25X1

[REDACTED]

sive Agency-wide briefing [REDACTED] followed by briefings from top management including OGC, IG, Comptroller, etc. These were followed by central Office of Personnel briefings on classification processes, career management

[REDACTED]

Since they have a general knowledge of the DDO mission and operational tradecraft you may wish to highlight specific problems which could influence study findings. Issues which they should be interested in are:

SECRET

DERIVATIVE CL BY [REDACTED]

25X1

- Your views on a proper method of compensating Operations Officers (i.e. higher GS grade, differential/allowance, separate pay schedule etc); and
- Other facts/ideas which you believe are relevant.

The consultants realize that your remarks will be limited by standard constraints on sources and methods but I would encourage you to be as open and candid as you believe you can. Your input is vital to the successful outcome of this study.
